- Refunds for purchases made by check require a ten (10) day waiting period from date of purchase.
- Returns are not applicable to Tech Center Rebuilds.
- Returns are not accepted on generators or generator accessories.

Warranty Policy:

Products purchased from batteriesplus.com or at a Batteries Plus location may include a warranty, depending on the product's manufacturer, age, and cause of the defect. Our policy is to honor warranty claims within the warranty period unless the defect is caused by owner/user abuse or negligence or if the product was not used as intended. Further, to the fullest extent possible under applicable law, Batteries Plus will not be liable for consequential, incidental or punitive damages.

Warranty coverage is not transferrable (it applies to the original purchaser only), and requires a proof of purchase or original receipt.

A warranty claim may require product analysis prior to issuance of a credit or replacement, which may take up to two (2) business days to process.

Specific terms and conditions of warranty policies will vary by product type, and may be modified over time. For specific terms and conditions, please see a store representative, call 1-800-677-8278, or visit our website: batteriesplus.com.
